ENROLLMENT PROCEDURE

Please call us to schedule an observation date. We ask that you come without your child so that you can observe without concern for your child’s impression. Remember, your child enters a much more mature developmental state around three, and many of the kids you’re observing are closer to three and a half. Do not worry if your child seems young by comparison. This is a common concern, and if your child really is young we will tell you following his or her interview. We want this to be a positive experience for all. *Observations are from 8:30 to 10:00*, or as late as you wish to stay. We ask that you stay at least the hour and a half to get a clear idea of the program goals. Should you decide to enroll, your child will be invited for a brief stay to be introduced to the program. This serves as an informal interview, but admission is not contingent upon performance during this visit.

Please fill out and *return this form with your \$50 registration fee*. You will be asked to pay a deposit of \$200 to hold your space. The registration fee is nonrefundable, the \$200 deposit will be deducted from your last month’s tuition at the close of the kindergarten year. Montessori is designed as a 3 year program, of which the kindergarten year is most crucial. In circumstances of early withdrawal, approved by both parties, one month’s notice is required, and tuition will be prorated and refunded accordingly. Initial deposits are refundable until 6/1 prior to the child’s entering the program. The deposit is forfeited if the child is withdrawn prior to the end of the kindergarten year.

The Auburn Children’s House admits students of any race, color, national, and ethnic origin to all rights, privileges, and programs accorded to students at the school. It does not discriminate on the basis of race, color, or ethnic origin in administration of any policies.

Please read all of the above, and sign to acknowledge your understanding, and intention of enrollment based on the above agreement. Thank you for your interest in our program.
